

Amy M. Stewart (she, her, hers)

Founding Partner | Intuitive. Strategic. Relentless.

"She gets it. When you work with Amy, you will understand why."

Amy is the woman you want on your team. She's intuitive, strategic, and relentless. What sets Amy apart from other attorneys are the skills she garnered from her experiences in the athletic world. Winning is in her blood – she played college basketball at Wake Forest University and coached Division I basketball at her alma mater and Tulane University before shifting her focus to wins in the courtroom. Amy's unique background helps her bring a dignified and measured aggressiveness and competitive nature to her legal practice.

WIDE RANGE OF EXPERTISE

Amy has experience in resolving commercial disputes, business torts, employment, and labor matters. In addition to her civil trial and arbitration experience, Amy is a highly sought-after investigator who analyzes high-profile and sensitive ethical and workplace-related issues. Indeed, Amy has investigated the types of matters that land on the front page of the *Dallas Morning News*. Additionally, Amy is a certified Title IX Investigator by the Association of Title IX Administrators.

Amy also is certified as an Arbitrator with the AAA and presides over commercial, construction, and employment matters. She was recently inducted into the prestigious International Institute for Conflict Prevention and Resolution Panel of Distinguished Neutrals.

A FORCE TO BE RECKONED WITH

Based on her experience building winning teams, Amy has an innate ability to connect with clients. By listening to her clients, Amy identifies and understands the critical success factors before developing a game plan—what does a “win” look like for this legal dispute. Amy never gives up on meeting her client's objectives and uses her intellect and intuition to alter the game plan when issues arise. Business clients want Amy leading and representing their interests as their outside legal counsel. Opposing counsel respects her legal acumen and her tenaciousness.
