

Anthony Lyons

Associate

Decisive. Consistent. Persistent.

Anthony's drive comes from his ability to help my community in the challenging legal field. Anthony communicates and collaborates with his clients to achieve their desired legal outcomes effectively. As your attorney, he wakes up every day to compete for you and your ongoing demands to bring home a win.

ANTHONY IS A TRAINED COMPETITOR WHO ADVOCATES RUTHLESSLY FOR HIS CLIENTS.

Anthony brings years of former collegiate athletic success to provide success for his client's legal demands. He will analyze, adapt, and apply knowledge and skills to encounter to achieve his client's best result. Anthony is patient but persistent in and out of the courtroom.

As a former student-athlete, Anthony learned that success comes from your dedication and persistence in sharpening your craft. This dedication brought success started on the field in the form of conference championships and college world series appearances. The success followed as Anthony enrolled at UNT Dallas College of Law. During his tenure at UNT Dallas, Anthony achieved academic success in the classroom and competitive success on several Board of Advocates Mock Trial teams. These experiences developed Anthony's competitiveness, dedication, and expertise to win in the courtroom and meet his clients' goals. Anthony approaches his clients similar to his teammates, as he expresses,

"Championships are not won; they are earned. Every day I bring a championship edge to my practice. Therefore, every day I ensure my clients that I compete to get them the best outcome in their current situation. With my athletic past, I learned you must work to analyze, adapt, and apply knowledge and skills to encounter to achieve the best result. This mentality applies directly to my legal services."

"Every day, we have neighbors that experience complex legal problems; many problems are crippling to their lifestyle. My legal expertise equips me with the tools to assist those problems in the most proactive way possible. My clients/peers need to understand that they need me on their legal team because they get a competitive, reliable teammate. Our legal team is similar to my collegiate team, where we must work together to achieve our goals. I competed at the highest level of collegiate baseball on a championship team in my former career."
